

Park and Ride Data – Supporting Information (Sep 2023)

Background

See the following sections for information on:

1. **Copyright and licence details**
2. **File formats**
3. **Data specification**
4. **Data updates**

Please email opendata@tfgm.com if you have any enquiries or feedback about the data or this documentation.

1. Copyright and licence details

This free dataset is released under the Open Government Licence (OGL), a copy of which can be found here: <http://www.nationalarchives.gov.uk/doc/open-government-licence/version/3/>

This dataset is derived from Ordnance Survey (OS) mapping. Please acknowledge the source of this information using the following attribution statement:

Contains Transport for Greater Manchester data. Contains OS data © Crown copyright and database right 2023.

2. File formats

The dataset is available in a choice of file formats:

- **.kml (Google Earth)** in WGS84 Long/Lat projection (EPSG:4326)
http://en.wikipedia.org/wiki/Keyhole_Markup_Language
- **.tab (MapInfo)** in British National Grid projection (EPSG:27700)
http://en.wikipedia.org/wiki/MapInfo_TAB_format
- **.shp (ESRI ArcGIS)** in British National Grid projection (EPSG:27700)
<http://en.wikipedia.org/wiki/Shapefile>
- **.json (GeoJSON)** in British National Grid projection (EPSG:27700)
<https://en.wikipedia.org/wiki/GeoJSON>

NB: The download files may have been zipped to reduce file sizes.

Email us if you would like to request data in a format not listed here.

3. Data specification

Field	Description
Name	Car Park Name
StationCode	Tram Stop or Rail Station CRS Code
Mode	Mode of Travel from Park and Ride
Spaces	Number of parking spaces (including disabled bays)
URL	Link to TfGM website providing further details such as opening times (this is only available for some of the larger Park and Ride sites)
UPRN	Link to OS AddressBase Unique Property Reference number (where matched)

4. Data updates

We will publish the data annually in September.
